Talimena Skyline Drive

Nov. 1, 2018

Oklahoma's Talimena Drive rivals fall color anywhere in the nation and late October to early November are known as the "peak" times for the foliage.

Our drive takes us down I-40 to Sallisaw and then south through Poteau and into the **Ouachita National Forest** where we begin our drive on **Talimena Skyline Drive**.

Dinner is planned in Krebs adding **WONDERFUL FOOD** to compliment the **BEAUTIFUL SCENERY** of the day.

Return home "full to the brim" (cameras, memory banks and tummies)!
