

ARK

ENCOUNTER®

LARGER THAN LIFE

April 1-5, 2019

Thousands of people awaited the opening of the life-sized replica of Noah's Ark. Encounter. "Based on dimensions given to Noah in the Bible, the ark stands at a staggering 510 feet long, 85 feet wide and 51 feet high. "Inside the ark visitors can see animatronic figures of Noah and his family, as well as cages containing detailed animal replicas. Reports are "you have to see it to believe it."

April 1 Oklahoma City to Collinsville, IL MR

The first day of travel is always an exciting time. A time to get settled in; get acquainted with any new travelers, the tour director and driver.

Our day will be spent traveling out of Oklahoma, across Missouri and into Illinois.

Lunch stop enroute, with lunch on our own.

Late afternoon arrive in Collinsville. The hotel offers a lite dinner each evening and/or there are restaurants within walking distance for those that would like a bit heavier dinner.

April 2 Collinsville to Dry Ridge, KY CB, D

Time change today, lose an hour.

7:00 Depart for Kentucky and the Creation Museum.

An early morning departure finds us in Petersburg, KY early afternoon in time to enjoy the **Creation Museum**.

The state-of-the-art 75,000-square-foot museum brings the pages of the Bible to life, casting its characters and animals in dynamic form and placing them in familiar settings.

Your ticket to the museum will include a meal voucher. The hot buffet will close at 4:00. Other sandwich selections will be until museum closes at 6:00. In the past many have asked for a to go box to take with them and have their dinner at the hotel after the museum visit.
