Oklahoma

Lights Up The Night

December 15, 2020

AMISH, HONOR HEIGHTS, RHEMA & A Surprise

An early afternoon departure will allow time to develop a hearty appetite before arriving in the Amish country for a wonderful dinner. *Mouth watering, home cooked food await us complete with homemade pie and luscious hot yeast rolls.....What a way to start a trip!!!!!! Merry Christmas to us!!*

Then it's off to Muskogee to Honor Heights Park and the **Garden of Lights**. *This winter wonderland includes a drive-through display of over 1 million shimmering lights strung throughout the park. The lights are placed meticulously to enhance the natural beauty of the park's gardens, waterfall, and ponds. New displays are added yearly, guaranteeing visitors a new experience each season.*

Last stop, Rhema Bible College lights display in Broken Arrow. *The display known as Oklahoma's largest, is also where visitors can enjoy the largest nativity scene in Oklahoma. Thousands of multi-color twinkling bulbs serve only as the backdrop for the Christmas message found here. Plan to take a leisurely stroll through this fairyland of lights.*

An additional "surprise" lights display will be added to the end of the evening.

Return home with fond memories of the good food and good fellowship. *Merry Christmas*
