July 1 Oklahoma City to Amarillo

Our morning will be spent enjoying refreshments and the fellowship with our fellow passengers as we make our way to Amarillo.

Mid-morning enjoy a rest stop in Groom, Texas at the Groom Cross, the largest free standing cross in America. *The 19 story cross, can be seen from miles in either direction, and is surrounded by inspirational and beautifully done, bronze sculptures of the Stations of the Cross. The photo opportunities, the sculptures, and the impressive gift shop, make this stop always a favorite.*

Lunch included at one of the favorite eating spots in Groom.

Our early afternoon arrival finds us at the **Panhandle Plains Museum.**

The historical museum on the campus of West Texas A&M University in **Canyon, Texas, U.S.A.**, a small city south of Amarillo. **Always a favorite stop.**

Then it is off to the hotel for some time for rest a spell or freshen up a bit (as Texan's might say) before or Texas sized dinner at the **Big Texan....**

It is inside and it is air conditioned and is is yummy!!!!

Then it is off to the canyon to the **TEXAS Outdoor Musical Drama**

Return to the hotel "filled to the brim" with TEXAS excitement. **L, D**
